Financial and Operational Performance Optimization

MDR™ offers a comprehensive array of Best Practices™ solutions that support School Districts and other Education Organizations in optimizing financial and operational performance. By focusing on the problems and the identified needs of our colleagues and their organizations, Best Practices™ are skillfully used by our team of experts to deliver measurable, meaningful, and sustainable results.

SOLUTION OFFERING:

- **ENERGY MANAGEMENT SOLUTIONS:** Provides cloud-based software driving real-time operational improvement and strategic planning based on predictive analytics. Runs continuous multi-factor engineering analysis behind the scenes to give hour by hour recommendations and report real-time cost savings on a single dashboard.
- **E-PAYABLES:** Automates the accounts payable process from payment to reconciliation by enabling organizations to pay expenses with a Single-Use Virtual MasterCard. With a cost free network installation, the customized e-Payable solution generates the industry's highest cash return on total monthly spend. P-Card and Fleet Card options also available.
- **COMPLIANCE / RISK MITIGATION SOLUTIONS:** Resources include web based Vendor Management Platform, Vendor Master File Clean-Up, Card Management, AP Recovery Audit, and Product Recall Management.
- **ELECTRONIC DATA INTERCHANGE (EDI):** Includes cost effective easy to use EDI solutions that allow organizations to participate in e-commerce with no software purchase or installation.
- **EQUIPMENT MAINTENANCE SOLUTIONS:** Client advocate business model featuring vendor neutral solutions that are custom configured by integrating strengths of current "in-house" support resources with industry Best Practices™. Our team will execute and support a truly custom designed solution that has historically delivered a realized savings between 10-40%.
- **FOOD SERVICE PLANNING & DESIGN:** Provides food services management advisory, pre-design and design services to education organizations. Our team's creative capacity offers fresh, cutting-edge design ideas balanced by the rigor of financial analysis, client needs, and the practical wisdom that comes with extensive experience.
- **LEVERAGED AGGREGATED BENEFITS:** Specializes in the design and management of life & disability insurance and absence management programs. Provides access to special risk pool for disability and life providing economies of scale for over 300,000 employees. Resources include HR consulting and support. Historically provides clients with a benefit cost reduction of at least 15%.
- **WASTE MANAGEMENT:** Resources include consultative and advisory services focused on streamlining and optimizing saving in the areas of solid waste, shredding, recycling, and regulated medical waste. Historically delivers a realized savings between 20-30%.
