

PARCEL NEGOTIATION & AUDITING SERVICES

*Stop Shipping Your
Money Away*

MDR's™ Partner helps clients reduce FedEx and UPS parcel shipping services through small package negotiation and parcel auditing services. Upon completion of an extensive analysis of a client's current characteristics, **MDR's™** Partner will identify key areas for reducing cost—leveraging experience and expertise to ensure a maximum reduction in expenses.

PARCEL NEGOTIATION:

- Provides free analysis of parcel spend
- Identifies savings opportunities with current parcel agreement
- Provides free analysis of parcel spend
- Proprietary software examines shipping data
- Prepares a strategy for the most effective approach
- Implements new contract with carrier
- Provides weekly invoice containing breakdown of carrier charges by service level
- Provides concrete measurement of weekly savings
- Ensures carrier compliance for duration of negotiated agreement
- Contract negotiations begin (6-8 weeks)

PARCEL AUDITING:

- Offers non-intrusive audit that does the work for you
- Proprietary software gives invoice a 50-point inspection each week
- Files for credit automatically from carriers on all identifiable errors
- Billing for audits is performance-based only (percentage of savings accrued)

PARCEL REPORTING AND OPTIMIZATION:

- Offers Parcel Audit clients access to tailored and ad-hoc reports with parcel auditing
- Develops custom reporting to meet individual business needs
- Identifies soft-dollar savings opportunities that further add to bottom-line impact
- Real-time report access allows for monitoring and measuring

HIGHLIGHTS

- No upfront costs, no hidden fees
- Weekly report card / invoice validating your savings
- Average small-package reduction is 22%
- Unlimited parcel-reporting tools
