

# WASTE MANAGEMENT SOLUTIONS

*Reduce Costs on Waste  
While Maximizing  
Recycling Efforts.*

## SOLUTION OFFERING:

- Provides organizations with a team of experienced professionals who design and subsequently implement a program focused on reducing costs associated with waste disposal, shredding, and recycling specifically tailored to the client's identified needs.
- Utilizes a 30-step proprietary process including technology based methods for obtaining quotes and negotiating optimal prices based on Best Practices™ industry standards.
- Audits monthly waste and recycling invoices for accuracy and provides a monthly savings summary documenting actual waste and recycling consumption.
- Provides ongoing support for management of any service related issues.

## AREAS OF FOCUS:

- **Hospitals and Medical Facilities**
  - Hospitals
  - Healthcare Systems
  - Ambulatory Care Facilities
- **Food Service and Restaurants:**
  - National Chain Franchises
  - Catering Facilities
  - Cafeterias
  - Food Processing Plants
  - Single Proprietor Restaurants
- **General and Professional Offices & Buildings**
  - Insurance Companies
  - Banking Processing Centers
  - Law Offices
- **Manufacturing, Distribution & Transportation**
  - Manufacturing Plants
  - Distribution Centers
  - Airlines

## BENEFITS:

- Historical range of realized savings between 20% to 30% of current program costs
- Reduce spend on waste disposal while maximizing recycling efforts and improving cash flow
- Gain access to the latest and best waste and recycling methods using technology, recycling indexes, waste handling equipment manuals, and industry publications to reduce waste and recycling expenses.

## Program Highlights:

- *Historical range of realized savings between 20% to 30% of current program cost*
- *Quick Impact—Bottom line savings achievable in 90 days*
- *Performance Based Compensation—No up-front charges, set-up fees, or budget allocation required*
- *Little to no time commitment required by employees*
- *No service interruption of waste services*
