

PREPARING FOR EDUCATION'S **NEW NORM**

*Leading through the Covid-19 crisis
and beyond.*

As the leadership of our country seeks to engineer a pathway for “reopening” our country; our education leadership faces similar challenges focused around four initial strategic areas: **Safety, Cash, Cost Savings, and Communication.**

In response to our colleagues' expressed needs in these strategic areas, MDR™ has created a best-in-class (Best Practices™) New Norm Platform.

SAFETY

Infection Control Solution that Protects ~ Identifies ~ Mitigates Infectious Diseases, including infectious aerosols (Covid-19 and others) in ALL environments

CASH

ePayables Solution that Guarantees 25% increase in rebates while reducing costs at No Cost to client organization

COST SAVINGS

Medical Benefit Manager (“MBM”) alternative to PBMs that achieves “Double Digit” Savings

COMMUNICATION

Digital building platform with resources to help organizations take ownership of their own social community

VALUE-ADDED RESOURCE PARTNER

Serving organizations for more than 20 years as a Resource Capability & Business Development Company, MDR™ is led by a seasoned team of subject matter experts and experienced C-Suite Executives.
